## Sessions

### Have you got the full picture on property?

Presented by Kate Faulkner, Designs on Property

Benefit from Kate's analysis and insight of the regional and national housing market.

*Kate has established herself as one of the UK's leading property experts. Specialising in advising the property industry, Kate spends much of her time understanding and analysing the UK housing market. Kate is a regular on the BBC, ITV and ITN, and has a weekly spot in the Telegraph Property Club.*

### Anti-money laundering: are you covered?

Presented by Jonny Davey, Geodesys

With the new Anti-Money Laundering Directive in full swing, this session will cover all you need to know to ensure you and your firm are fully covered.

### Don't risk anything less than a CON29DW

Presented by Jonny Davey, Geodesys

How CON29DW can affect future development, including a demo of how our enhanced CON29DW (launched in April) makes it easier for you and homebuyers to identify potential issues.

*Jonny, Product Manager for Geodesys, has a wealth of product and industry knowledge. His seat on the Board of the Drainage and Water Searches Network gives him an in-depth understanding of the risks and legislation associated with conveyancing transactions.*
